

What's the Difference in our Magnesium Lotions & Oils?

TOPICAL Magnesium is the FASTEST way to RESTORE Magnesium on a Cellular Level

ALL of OUR Magnesium Lotions & Oils Contain the Following Benefits:

Increased Sleep ~ Regulates Diabetes ~ Regulates Blood Pressure & Abnormal Heart Rhythm
Better Absorption Rate ~ Better Relaxation & Stress Management ~ Headache & Migraine Reducer
Reduced Muscle Aches, Pains, Cramping & Spasms ~ Increased Athletic Performance ~ Insulin Regulator
Improves Skin Quality & Easily Assimilated by the Body ~ Strengthens Bones ~ Vitamin D Metabolism

**Magnesium
Lotion & Oil**

ALL ABOVE BENEFITS

~ Lotion is Safe for Children 2 months & up & will assist in Hyperactivity & Sleep

~ Pure Mag Oil may cause slight irritation until Magnesium Levels increase & will disappear once your magnesium levels are up.

TIP: The Following DEPLETES

Magnesium in the BODY:

Coffee, Soft Drinks, Alcohol, Prescription Drugs, Milk, & "White Foods" such as sugar, bread, pasta, & potato. If Consumed, increase Magnesium intake.
